

10-12 November 2021  
VIRTUAL MEETING  
**BIOFARM PROJECT: LEARNING, TEACHING ACTION & TRAINING 7**

You are invited to participate (application form in attachment) at the Learning, Teaching action & Training 7 (LTT7) which will take from 10 to 12 November 2021 at the Department of Agricultural, Food, Environmental and Forestry Sciences and Technologies (DAGRI) of the University of Florence.

This LTT7 ACTIVITY is organized within the project "Boosting adult education in organic farming (BioFarm)" activated at the University of Cukurova (Turkey) within the Erasmus + Program 2018 "Cooperation for Innovation and the Exchange of Good Practices - Strategic Partnerships for adult education".

The LTT7 activity is provided by the C2 activity of the BioFarm project, "The Educational, Legal framework and Knowledge System of Organic Production in the Project Countries", for which the organization is expected by the DAGRI

Participation is dedicated to:

- MSc and PhD students;
- Academicians and technicians;
- Employees of private research institutions related to agriculture

The LTT7 activity is composed of 3 modules and will be delivered entirely in remote mode following the working agenda below
